

CORRIGENDUM:1

The interview/personal discussion schedule to be held on 13.05.2020 for the posts of Scientists-D (Non-Medical), Project Officer and Data Entry Operator in MERA India project at NIMR has been postponed due to Administrative reasons. The new date(s) of interview/personal discussion will be notified on the website of ICMR/NIMR. Candidates are advised to remain in touch with the concerned websites for further updates.

CORRIGENDUM:2

“Due to receipt of excess applications for all three advertised posts (Scientist D, Research Officer and Data Entry Operator), it is not feasible to interview all the eligible candidates. Further, due to the lockdown, it is difficult to conduct the written test to all the applicants. Hence, the interviews scheduled on 13 May 2020 are postponed. The candidates will be shortlisted based on qualification, experience, publications (if applicable) etc. Date of interview will be notified in the due course.”
