Notice for Ph.D. aspirants at ICMR-NIMR field units

ICMR-NIMR has ten well-established field units located across the country in different malaria-endemic regions, which are involved in various malaria-related research activities in their local area. **For new Ph.D. aspirants, who are willing to join ICMR-NIMR field stations, they can write personally to the respective in-charge of the field units and explore the exciting field of current activities.** Other official formalities shall be taken care of by NIMR academic cell. For more details, interested candidates can visit the ICMR-NIMR website.

Dr. Kailash C Pandey
