

Important notice for NIMR AcSIR Ph.D. program-August 2020

Candidates who have submitted fee for the first semester of NIMR_AcSIR Ph.D. program-August 2020 session may visit ICMR-NIMR, Delhi for physical verification of academic records. Those candidates who are unable to physically visit the institute due to current COVID pandemic may please inform at phd.nimr@gmail.com, however, they may need to verify their academic records during near course of time.

An undertaking (appended below) in the prescribed format has to be signed by the candidates before completion of the admission process.

Copies of all academic records (10th, 12th, Graduation & Post-graduation, JRF certificates (CSIR/UGC/DBT/DST/ICMR etc.) should be submitted along with physical verification of the original documents.

Candidates also have to provide following documents at the time of joining the institute for the Ph.D. program-

- Sequence of preference for the following research areas: **1) Parasite-host Biology; 2) Vector Biology and 3) Epidemiology and Environmental Biology.**
- Brief write-up (5-8 lines) for selecting the choices.
- Tentative research plan (one page) for the preferred choice.
- Lab. and mentor will be assigned after laboratories rotations and mutual consensus between student and mentor.

Undertaking

I _____ shall abide by the rules and procedures of the academic cell and the Institute during the tenure of my NIMR_AcSIR Ph.D program- August 2020 session.

Based on the objectives and requirement of my research work, I give my consent to be placed either for short term/long term at different field units of ICMR-NIMR.
